

The “Magic Museum” is an exhibition of light and sound for the whole family to enjoy.

<Please note>

- Some of the works are not suitable for visitors with strollers. There is no stroller storage space in the venue. Please do not leave strollers in the aisles of the venue as it may cause inconvenience to other visitors.
- Eating and drinking, including candy and chewing gum, are not allowed in the venue. *Except for measures against heat stroke and physical illness.
- We are not responsible for any injury, loss, damage, or trouble that may occur in our facility.

<Introduction of the contents>

① NANAIROKOMICHI

Please walk freely. The path you walk on will sparkle and shine.

② Mill Ensemble

Put your hand on the wall and a sound will be played.

Please do not hit the wall.

③ TSUKUMOGAMI

You can enjoy the image as if there is an object attached to your body.

Please do not enter beyond the white line at your feet.

④ IRO NO ARU YUME

Your shadow is expressed like a rainbow.

Do not enter beyond the white line at your feet.

⑤ SHOUTOTSU TO SANRAN

Please walk freely. The light on the ground moves with a sound.

Please get out of the stroller and enjoy.

⑥ YUBISAKI NI SAKU

Hold your hand on the wall and a flower will be drawn. Let's create a flower garden together.

Please do not hit the wall.

⑦ Splash Display

After a staff member gives a signal, everyone shines a ball on the light floating on the beads, and the beads blow out like a fountain.

When the last big splash happens, the game is over. Please take a turn to the next person.

⑧ Immersive Shadow : Bubbles

The balls can be bounced by shadows projected on the wall.

Do not go beyond the white line at your feet.

⑨ ANIME NO KOUEN

Participants will create a four-frame animation, which will be filmed four times and then aired as a single animation.

⑩ GENSOU THEATER

Visitors can enjoy the images as if they were transformed into various things.

Please do not enter beyond the white line at your feet.

⑪ NAGERU,ATERU,HIROGARU

After a staff member gives the cue, hit a ball against the wall to enjoy fireworks-like images and sounds.

⑫ Bouncer

Jump or stomp your feet on the round platform, and you will see and hear lights and sounds.

Playing with stepping stones is dangerous. Please do not play with stepping stones.

Please get out of the stroller.

⑬ toatope

Place your hand on the table. When a circle forms around your hand, a shape like a living creature appears on the table.

⑭ SUPER SLIT-SCAN

You can enjoy an image as if space-time is warped.

Do not go beyond the white line at your feet.

⑮ TENRANKAI NO E

You can enjoy images as if you were inside a painting.
